HICKORY GROVE, St. Charles Co., Mo., Nov. 19, 1857. Prof. O. J. Wood-Dear Sir: Some time last summer we were induced to use some of your Hair Restorative, and its effects were so wonderful, we feel it our duty to you and the afflicted, to report it. Our little son's head for some time had been perfectly

covered with sores, and some called it scald head. The hair almost entirely came off in consequence, when a friend, seeing his sufferings, advised us to use your Restorative, we did so with little hope of success, but to our surprise, and that of all our friends, a very few applications removed the disease entirely, and a new and luxuriant crop of hair soon started out, and we can now say that our boy has as healthy a scalp, and as luxuriant a crop of hair as any other child. We can, therefore, and do hereby, recommend your Restorative, as a perfect remedy for all diseases of the scalp and hair. We are yours respectfully, GEO. W. HIGGINBOTHAM,

SARAH A. HIGGINBOTEAM. PROF. WOOD-Dear Sir: My hair had, for several years, been becoming prematurely gray, accompanied by a harshness which rendered the constant application of oil necessary in dressing it When I commenced using your Hair Restorative about two months ago it was in that condition and having continued its use till within the last three weeks, lustre greatly to be preferred to those produced by the application of oils or any other preparation I have ever used regard it as an indespensable article for every lady's tonet, whether to be used as a Hair Restorative or for the simple purpose of dressing or beautifying the hair. WELLINGTON, Mo., Dec. 5, 1857. PROF. WOOD-Dear Sir: By the advice of a friend of mine, who had been using your Hair Restorative, I was induced to try it. I had the fever some time last May, and nearly every hair in my head came out. Now my hair has come in a great deal thicker than ever it was. Nothing but a duty and sympathy that I feel to communicate to others who are afflicted as I have been, would induce me to g ve this public acknowledgement of the benefit I have received from Prof. Wood's Hair Restorative.

Yours respectfully, A. R. JA. OBS.

FLOUR—The market for State brands rules about the same as reported for the past two weeks. One lot of 100 barrels family sold on Wednesday last at \$7 10 per bbl. from store : this figure, however, is above the market, and since then several small parcels have sold at \$6 62 1-2 for superfine, and \$6 87 1-2 for family.
